Marine and Environmental Services

Bludworth Marine's, Marine and Environmental Services was brought together in 2019 when Bludworth Marine acquired the experience and knowledge of Will Duett, LTD, as well as their equipment and personnel. The full range of services come with over 15 years of experience and the professionalism to provide a variety of services to the drilling, transportation, and holding facilities. Our personnel are fully trained and qualified for work in this unique portion of the industry. For our clients looking for specific services like tank cleaning and coating, gas freeing, corrosion remediation, hydro-blasting, rig moving, environmental cleanup, debris removal or rig preservation, our personnel are available 24 hours a day, seven days a week.

Offerings:

- Tank Cleaning
- Hydro-blasting
- Coating and Painting
- Blasting
- Pigging, Pipelines and Mole Lines
- Gas Freeing
- Environmental Cleanup
- Debris Removal
- Vapor Control Inhibitor
- Corrosion Remediation

Contact us today and let us take care of your marine, corrosion and environmental needs!

For immediate assistance, please contact Bludworth Marine.
